**Black Ice Kennels
4520 S. 900 W., #421
Riverdale, UT 84405**

If you have any questions, please e-mail us at blackicekennels@hotmail.com. E-mail is always preferred. Due to the large amount of calls we receive for questions on puppies, we cannot guarantee that we will get back to you as fast as by e-mail.

There is a minimum \$100.00 non-refundable Application Processing Fee that must accompany each application in order to be placed on our waiting list. If you decide to send more than the combined amount, the amount that you send in excess is refundable.

Each puppy is sent with an identifying Microchip, dew claws removed, first set of puppy shots, several de-wormings, and a puppy packet (all of this is included in the \$750 price).

If you are purchasing more than one puppy, you may attach multiple applications (stapled) together and may leave those areas blank on the additional forms that are the same information as on the first form.

The occurrence of litters and the availability of puppies are completely unpredictable events. Nothing in this application should be construed as a promise to provide a puppy or a prediction of how long it will be until a puppy is available.

Black Ice Kennels may change, amend or cancel this agreement at any time.

Prices listed herein are just for the puppy and are pet prices only and carry with it a limited registration. There will be an additional charge for breeding rights, or "full registration", depending on the conformation or quality of the puppy. There will also be a simple health examination required at the time of maturity that Black Ice Kennels will provide which must be completed by a Doctor of Veterinary Medicine (DVM). If inquiring about an animal in which you intend to breed, please make sure that you inform us that you intend to breed the animal. We will discuss the process of full registration with you at that time.

Please note the following information and additional charges that may apply:

- If we will be shipping your puppy to you by air, our preferred airline is Delta Airlines; however, we reserve the right to use other carriers as indicated.
- All puppies are usually shipped from Salt Lake International Airport.
- Air cargo shipping costs charged by the airline are additional – they are not included in the basic price of the puppy. Currently this averages \$180.00.
- Transportation and Handling to/from shipper \$50.00.
- An additional charge of \$50.00 will apply for a crate in which to ship the puppy.
- All puppies are sent with a Certificate of Health. The charge for this is \$30.00.
- All charges must be received prior to shipping.
